Verso:

You wanted all that your eyes could see  
Maybe it will all be dealt in time  
But the world will never see you eye to eye  
Or heart to heart, I know this

You stumble but it s alright

Say what you want to me, my friend  
The words are growing bigger in my head  
So take all you want from me, my friend  
Even if it is nothing at all

You stumble but it s alright

Refrão:

The words are growing bigger in my head  
So take all you want from me, my friend  
Even if it is nothing at all  
It s nothing at all  
It s nothing at all

You stumble, the world spinning around you, now
