

Cool Patrol  
Ninja Sex Party

Hey, this is my tab for what I believe to be one of the best NSP songs to date: Cool Patrol. It was tabbed entirely by ear, so if you think that there s anything I could change or improve, feel free to let me know and I ll edit it. Enjoy!

[Verse 1]

There are two options for the chorus: for the first, you can follow along with Danny s vocals through the tab shown below. The second option is to play along with the chords, however they re quite tricky if you re new to guitar. Either way, both options have the same tabbed ending.
