

Haktan

Niran Unsal

**Bm**                    **D**                    **Bm**  
Duy , sesimi her yerden duy

**D**                    **Bm**  
G r , y z m her yerden g r

**C**                            **D**                    **C**  
D n , sebebi halim ba&#351;ka

**Bm**                            **D**                    **C-Bm**  
Kalp kirik d k k yeni a&#351;ka

**Bm**                            **D**                    **Bm**  
D n , sebebim olma gayri

**D**                    **Bm**  
D n , d nleri vur da  ld r

**C**                                    **D**                    **C**  
G m , ge mi&#351;i sildim  soktan

**Bm**                            **D**                    **C-Bm**  
Yar adin emir gibi haktan

**C**  
O yosun g zlerin d &#351;er gecelerime

**Bm**                            **D**                    **C**  
Ilkbahar gelir kokunu verir

Her yani sarar ask b y s   
**Bm**                            **D**                    **C-Bm**

Sevdigim g l n dile gelir

**D**                            **C**                            **Bm**  
G cenmediysen, kirilmadiysan, darilmadiysan d n

**D**                            **C**  
Nasip olurda seni bulursam hesap sorarsan sor

**D**    **C**  
G l m m  dersin  l m m  dersin yeter ki ses gelsin

**D**    **Bm**  
Bilirim senin i sin yarali
