I can have anything you wanted  
**G** **A** **C**

Wondering how I m gonna find a way It s over

[Chorus]

**E5**            **C**            **E5**  
He seemed to read minds  
          **C**                            **E5**  
And I know we re out of time  
          **C**                            **E5**  
Breathe away here with you  
          **C**                            **E5**  
Dream the same on the dew  
          **C**                            **E5**  
Breathe the same on her  
          **C**                            **E5**  
Breathe to moan on a man  
          **C**                            **E5**  
Breathe and shame on you  
          **C**  
He s late  
(A chord)
