

Seasons In The Sun
Nirvana

[Verse]

N.C. G
Goodbye my friend it s hard to die
Am
When all the birds are singing in the sky
G
Now that spring is in the air
Am
Pretty girls are everywhere
D **G**
Think of me and I ll be there
N.C. G
Goodbye papa, please pray for me
Am
I was the black sheep of the family
G
And I don t know all these words
Am
I had boggy turds
D **G**
With my BB gun I would kill birds

[Chorus]

D **G** **Am**
We had joy we had fun we had seasons in the sun
D **G**
But the hills that we climbed were just seasons out of time
D **G** **Am**
All our lives, we had fun We had seasons in the sun
D **G**
But the worlds that we reached Were just starfish on the beach

[Verse]

N.C. G
Goodbye Michelle my little one
Am
I was the apple of the shining sun
G
Another apple out of reach
Am
All my tears are salty
D **G**
I think now I was taught to weep

[Chorus]

D **G** **Am**
We had joy we had fun we had seasons in the sun

D **G**
 But the hills that we climbed were just seasons out of time
D **G** **Am**
 We had joy we had fun we had seasons in the sun
D **G**
 But the world that we reached Were just starfish on the beach
D **G** **Am**
 We had joy we had fun we had seasons in the sun
D **G**
 But the hills that we climbed were just seasons out of time
D **G** **Am**
 We had joy we had fun we had seasons in the sun
D **G**
 But the stars that we reached Were just starfish on the beach
