

**Son Of A Gun**  
**Nirvana**

Nirvana  
Son of a Gun  
(Cover of the Vaseline s song)  
From the album, Incesticide

OK, here s a simple tab for the funnest song on Incesticide. You ll have to listen to CD to get rythm right. I m 100% sure of the accuracy of this tab, so if it doesn t sound right, it s cos your playing it wrong ;-)

[Intro]

**A      Em      E      D**

[Verse]

**A           E           D           E**  
Up, up, up and down, turn, turn, turnaround,  
**A           E           D      E**  
round, round, roundabout and over again.  
**A           E           D           E**  
Gun, gun, son of a gun, you are the only one,  
**A           E           D      E**  
that makes any difference to what I say.

[Chorus]

**G5                   C5          D5           C5**  
Sun shines in the bedroom,      when we play,  
**G5           C5                   D5           C5**  
the raining always starts, when you go away.

[Interlude]

**G5      D5      G5      D5**  
**A5      E5      A5      E5**

End on G5.

This is a very simple tab to a great song. Enjoy!
