[Primeira Parte]

```

                G#
We passed upon the stairs
                C#m
we spoke Of was and when
                G#
Although I wasn t there
                E
He said I was his friend
                B
Which came as some surprise
                G#
I spoke into his eyes
                C#m
I thought you died alone
A long long time ago

[Primeira Parte]

```

           G#
I laughed and shook his hand
           C#m
And made my way back home
           G#
I searched from form and land
           E
for years and years I roamed
           B
I gazed the gazeless stare
           G#
At all the millions hills
           C#m
I must have died alone

```
