

**C**  
If you really love me then let me go now  
**D**  
Find somebody new and take em home now  
**Em**  
I look at you, won t miss you when I stop from starting over  
**C**  
So can we stop from starting something that we know that we can ~~â€~~ handle?  
**D**  
Find somebody new, a different angle  
**Em**  
I look at you, won t miss you when I stop from starting over  
**C**  
And we need to start all over again  
**C**  
And again and again and again and again  
**G**

[Verse 2]

Just cause you can't be lonely? **G**  
Stop begging me, can't you see **Em**  
I finally got back on my feet? (On my feet) **C G**  
How do you find my weakness **Em C**  
Just when I think I'm free this? **G**  
As soon as I'm forgetting all about you **Em C**  
You end up at my door **G**

[Pre-Chorus]

How do you know, how do you **Em C**  
How do you, how do you know, how do you **G**
