Verse 2:

God knows but she gets to me
 I m kernel Mustard with the horn in the refectory
 Laughter and love denote destiny
 You ride a bike and read Rilke
 So it s meant to be Love!
 You know Im just glad to be singing
 Because yesterday
 I was as blue as George Galloway investing in
 The false hope of my Ego and not resting in
 My hearts festivity the song that your giving me
 Inner light will set you free from false captivity
 Wake up your heart to being
 A voice that is seeing
 What you and me can be in
 In Love

Turn out the lights switch off the telly
 We re making love extra-ordinary
 Switch off our phones draw closer to me
 We can make life extra-ordinary
