

Comforting Lie
No Doubt

Bass tab:

Album: Return of saturn

Track: 10 - Comforting lie

Person who tabbed this: Paul Simpson (*)

Before I tabbed this I thought it would be a pretty hard song to play but yeah, it s actually extremely easy compared with most other No Doubt songs.

Key:

h = hammer on

= slide down

/ = slide up

INTRO:

A-----
E--5-5-5-----0-0-----5-5-5-----0-0-----5-5-5-----0-0 e.t.c

VERSE:

A-----
E--5-5-5-----0-0-----5-5-5-----0-0-----5-5-5-----0-0-----1-1-1---0-0 e.t.c

CHORUS:

Hold it, hold it all in, let it build up,oh build a bomb

A-----5--7-----5--7-----5--7--8--8--8--7--
E--0h125/-12-5--5--5-----5--5--5-----5--5--5-----8
(X2)

A-----7---
E--10--8---7-----

then play verse riff twice, then chorus again

INTERLUDE:

Oh look i took my bandaid off did i take it off to soon?

A-----7-----0
E--10-----8-----7-----10-----8-----

Hysterical confession, my big courageous move

A-----7-----

E--10--8---7-----10-----8-----10-

Then play intro again, then play verse, then chorus but for twice as long as normal. Then, to finish play the verse riff once but it gets slower and slower.

Alright then, have fun with this, it s a pretty cool song i think.
