[Verse]

Take this pink ribbon off my eyes
I m exposed
And it s no big surprise
Don t you think I know
Exactly where I stand
This world is forcing me
To hold your hand

[Chorus]

```
          Bm          A          G          A
Cause I am just a girl, little ol me
Bm          A          G          A
Don t let me out of your sight
```

Bm **A** **G** **A**
I m just a girl, all pretty and petite
Bm **A** **G** **A**
So don t let me have any rights

[Post-Chorus]

G **C** (the **G** and **C** are palm muted)
Oh...I ve had it up to here!

[Verse]

The moment that I step outside
So many reasons
For me to run and hide
I can t do the little things
I hold so dear
Cause it s all those little things
That I fear

[Chorus]

Bm **A**
Cause I am just a girl
G **A**
I d rather not be
Bm **A**
Cause they won t let me drive
G **A**
Late at night
Bm **A**
I m just a girl
G **A**
Guess I m some kind of freak
Bm **A**
Cause they all sit and stare
G **A**
With their eyes
Bm **A**
I m just a girl
G **A**
Take a good look at me
Bm **A** **G** **A**
Just your typical prototype

[Post-Chorus]

G **C** (the **G** and **C** are palm muted)
Oh...I ve had it up to here!

[solo over chorus music]

do the **Bm-A-G-A** thing 4 times

G **C** (**G** and **C** muted)

Oh...I am making myself clear?

[Bridge]

I m just a girl

I m just a girl in the world...

That s all that you ll let me be!

[Chorus]

Bm **A** **G** **A**
I m just a girl, living in captivity

Bm
Your rule of thumb

A **G** **A**
Makes me worry some

Bm **A** **G** **A**
I m just a girl, what s my destiny?

Bm
What I ve succumbed to
A **G** **A**

Is making me numb

Bm **A** **G** **A**
I m just a girl, my apologies

Bm **A** **G** **A**
What I ve become is so burdensome

Bm **A** **G** **A**
I m just a girl, lucky me

Bm **A** **G** **A**
Twiddle-dum there s no comparison

[Outro]

G **C** (**G** s and **C** s muted throughout)

Oh...I ve had it up to!

G **C**

Oh...I ve had it up to!

G **C** **Bm**

Oh...I ve had it up to here!

(slow down on the last G and let the final Bm ring out)
