Second Part of the verse(same)

Trevor called his bluff and told him where to meet
 Christmas day on the roof down 20 Oxford street

(Repeat chorus)

Verse(same as verse 2)

On the roof with the nun chucks Trevor broke a lot of bones
 But Haji had a sword like that guy in Indiana Jones
 Police sirens wailing, a bloody dying man,
 Haji was alone and abandoned his band
 Trevor was there fading and still so full of hate
 when the skins left him there and went down the fire escape

Verse(same as verse 1)

But then Haji saw the north star shining more then ever

So he made a tourniquet from his turban saving Trevor
the repelled down the roof with the rest of the turban
and went back to the pub where they bought each other bourbon

(Repeat Chorus)
