

**One More Summer**  
**No Doubt**

Capo 3rd Fret

**Fm**            **G#**                            **C#**  
I ve been wasting all this time  
But I can t let go

**Fm**            **G#**                            **C#**  
Cuz its just the way I feel

**Fm**            **G#**                            **C#**  
Getting used to your mistakes  
But I can t let go

**Fm**            **G#**                            **C#**  
Do you ever think I ll heal?

**Fm** **G#**                            **C#**  
You could be right and I could be wrong

**Fm**                            **G#**                            **C#**  
Year after year always rewinding where we ve gone

**Bbm**                            **G#**                            **Eb**  
One more summer one more weekend

**Bbm**                            **G#**                            **Eb**  
I m your lover you re my weakness

**Bbm**                            **G#**                            **Eb**  
Oh oh oh oh oh oh oh oh

**Fm**    **G#**                            **C#**  
In between the longest days  
And the shortest nights

**Fm**            **G#**                            **C#**  
It always comes back to you and me

**Fm** **G#**                            **C#**  
I could be right and you could be wrong

**Fm**                            **G#**                            **C#**  
I can t believe it has it really been this long?

**Bbm**                            **G#**                            **Eb**  
One more summer one more weekend

**Bbm**                            **G#**                            **Eb**  
You re my lover I m your my weakness

**Bbm**  
I don t think I can change

**G#**    **Eb**  
I can t stay away

**Bbm**  
One more summer

**G#**                            **Eb**  
One more summer
