Intro:

C# Eb Fm

Versos1:

Fm

You can work it
Give it to me straight
When you smooth operate
Can you come out and play?
Make my tic talk
Step up to the plate
No underestimate
No never play it safe
No relax
Boy you re charming me not gonna fight
I m your moll indeed not gonna hide it
Hustlin you got me
Your turfs in my lane
Respect nobody
Bonnie and Clyde it
Not gonna testify
Gotta me under oath big time
Baby you hustler, hustler, hustler
Gonna work for you all night, yeah
Go for whatever you want
Don t let anyone tell you that you can t
Baby you, baby you get that, take that
I m in the mood so make it last
Hustle 9 to 5
You re gonna have to survive
Go hard, go hard, go hard, go hard
Wanted dead or alive

Collide like two stars in my world

Ready when you re ready we can run this city

No if s, no buts, no maybes

Mi put a smile on your face like it s payday

La la la la vida loca
