This song is divided into only three parts. First part, verse  
no one around you for miles..... . Second part, the little guitar solo  
that separates the first and the chorus. If you know the song you know what  
I m talking about. Third part the chorus. Then chorus changes right at  
the end into power chords which would constitute a fourth part except the  
notes are exactly the same.

part 1 verse

m  
m  
m (repeat)  
m 3  
3 3 1 2 5 2  
m 3 3

part 2 the guitar lick

m  
m 3(b)  
m 4 3 (repeat)  
2 2  
m 2 2  
m

part 3 the chorus

I ll give you the chords and you can just figure out the strumming pattern  
it isn t too difficult.

4 1 1 3  
4 1 2 4  
5 2 1 3 (repeat)  
m m m m  
m m m m  
m m m m

part 4 the chorus in power chords (it comes in when they re repeating the  
chorus at the end listen for it!!!!)

m m m m  
m m m m

13 10 6 8  
13 10 6 8  
11 8 4 6  
m m m m

That s it, enjoy!!!!
