

Sparkle
No Doubt

D
Never ever, ever gonna be the same
G
Never gonna be the same

Bm **Em**
Itâ€™s nothing new youâ€™ve gone missing before
Bm **Em**
People like you fade in and out
G
Somehow we got lost in the travels
Em
Why did the world unravel us
Bm **Em**
And how it was?

Bm **Em**
Sometimes I feel like I just passed you by
Bm **Em**
And left you standing in your pain
G
But you were the one with the magic
Em
You were the one with the sparkle
Bm **Em** **A**
And you had it all

D **G** **A**
I know itâ€™s never gonna be the way it was
D **G** **A**
How can it? Feelings change and people can get lost
D **G** **A**
But I still think of you so much
D **G** **A**
Do you remember how it was?

D
Never ever, ever gonna be the same
G
Never gonna be the same

Bm **Em**
So what you doing while the day goes by?

Bm **Em**
And what you thinking in your head?

G
I just want you to be happy

Em **Bm** **Em** **A**
Please let me know if you are, the way you were

D **G** **A**
I know itâ€™s never gonna be the way it was

D **G** **A**
How can it? Feelings change and people can get lost

D **G** **A**
But I still think of you so much

D **G** **A**
Do you remember how it was?

Bm Em G Em A

D **G** **A**
I know itâ€™s never gonna be the way it was

D **G** **A**
How can it? Feelings change and people can get lost

D **G** **A**
But I still think of you so much

D **G** **A**
Do you remember how it was?
