

**We Wish You A Merry Christmas
No One**

Posted by Michael W. DeSilva.

I found that these chords sound good and are easy for beginner guitarists like myself.

Just repeat the same chords for all verses and the same chords for all Choruses.

Note:

FM7 = F Major 7

Strum pattern: C - down, down, down: FM7 - down, down, down: D - down, down,
down: G -

down, down, down: C - down, down, down: FM7 - down, down, down: G - down, down,
down: C

- down!

Same strum pattern for Chorus.
