Seventeen
No Rome
 [Intro]
\mathbf{E} \mathbf{Bm} \mathbf{A} \mathbf{Am} (2x)
[Verse 1]
E Bm
             Am E Bm
        Α
                         Α
                               Am
You are something I want
E Bm A
           Am
You
            take
E
                  Bm
                        Α
                              Am
Take me away, my baby
Е
                             Bm
I m sorry if everything is crazy
                                     Am
I don t know what s happened to me lately
Now I m getting older and it makes me
Think of how it used to be so easy
[Chorus]
We were only seventeen (yeah)
You were lying next to me (yeah)
I just wanted you to know that
                                    Am
I was young and in control (yeah)
Everything was easier
                                        Am
Never knew what feelings were (yeah)
                                      Bm
Used to be just make believe (yeah)
Now I m faded in the corner
Yeah yeah yeah, yeah
[Bridge]
E Bm
             A Am
       Oh my god,
                     too fast
                       A Am
      It s going too fast
         Е
             Bm
                      Α
                            Am
Never thought
                 I might
```

I was doing much better
          Α
               Am
              for real
I forgot,
[Instrumental]
E Bm A Am (4x)
[Chorus]
We were only seventeen (yeah)
                                     Am
You were lying next to me (yeah)
                                   Bm
