

Chasing Rainbows
No Use for a Name

C G Am F
Just heard the news today, let yourself down once again

C G Em F
Trusted your feelings in a place that no one goes

C G Am F
Will you do anything, to satisfy your so-called

C G F(ring/rest) F
friend? There s something you ought to know, before you explode

Am F G C G
All I want to do is make sure you stop chasing rainbows

Am G F G
Trusting those around you is an easy thing to do

Am F G C G
I m not saying don t believe in someone that you don t know

Am G F G
Just don t go on thinking that the whole world tells the truth

C G Am F
It s all fucked up, being reserved and quiet

C G Em F
She doesn t understand the message that you send

C G Am F
Don t give it all away somewhere, sometimes there s someone

C G F(ring/rest) F
Who can replace that state of mind, you never give it time [never]

Am F G C G
All I want to do is make sure you stop chasing rainbows

Am G F G
Letting everybody crawl inside your heart and mind

Am F G C G
Kicking you is easy when you re down that s where the weak go

Am G F G
To release their anger on someone who will not try to stand up

F G C
and give them a fight
