

Fields Of Agony
No Use for a Name

TUNING: **Eb**

Am **G** **D** **F** **E**
How many people, how many have died?
Am **G** **D** **F** **E**
I m feeling lucky and afraid at the same time
Am **G** **D** **F** **E**
How many times have you sat home and wondered why?
Am **G** **D** **F** **E**
We always hear about the U.S.A. but not the other side

C **D Dsus2** **Am F E**
In fields of agony everybody dies

Am **G** **D** **F** **E**
How many humans, how many does it take?
Am **G** **D** **F** **E**
We get a cedar box they get a body rake
Am **G** **D** **F** **E**
How many lives does it take before we can end this war?
Am **G** **D** **F** **E**
Bring Johnny home soon he forgot what it was that they were fighting for
C **D** **Am F E**
In fields of agony
E **C** **D**
I don t want to die or be sent home on a cargo plane
 Am **F** **E** **C** **D Dsus2**
A tag on my toe without my name because I m one of a million, a million

How many weapons, how many do we need?
What about the economy, what about the economy?
You ll be the hero at the end of your catastrophe
It can t be stopped with unity with collaboration of you and me...
and human dignity...in fields of agony...
