

For Fiona
No Use for a Name

For Fiona,

F5 **G5**
i cant even think of words to match the way im feeling
A5 **C5**
i dont even think a book can say enough for you
F5 **G5**
i can only try my best to put it in a song i guess,
F5 **G5**
You try to speak I know you tell the truth

F5 **G5**
if i could freeze our small amount of time together
A5 **C5**
then we could make believe this world would never end
F5
Unfortunately truth is cold
G5
so you stay young while i get old
F5 **G5**
but always know, I m your best friend

C **Em**
Nothing is the same everythign is a better change
Am **G** **F**
sometimes i see silence in your eyes
C **Em**
let it all crash down, when it ends it begins with you
Am **G** **F**
I m gonna learn every time you do

F5 **G5**
And i m as scared as anybody who has done this
A5 **C5**
I wouldnt give it up for nothing free
F5
You took my life, turned it around,
G5 **F5** **G5**
You put my feet back on the ground, I owe you, Eternally

C **Em**
Nothing is the same everything is a better change
