

Let Me Down
No Use for a Name

[Verse]

She's never alone,
because she's scared of what she might say to herself
Always drinking in the backroom of the bar where
everyone turns in
A half-hearted grin
She won't be afraid
as long as that prescription keeps going through
And all the happy pills make her look like cardboard
cut out of someone,
I use to learn from
But on the phone, she's telling everyone,
that there was a blue sky, she left behind
And there's a place that no one knows about,
Away from integrity she writes a book in her head that nobody will read

[Instrumental]

D A Bm G

[Verse]

Whatever you say,
please don't talk about the time when she was young
Apparently that was a different person and so
long ago it's strange to me,
there's no history
But there's a past and she's telling everyone

It must be a garden, that wouldn't grow

With roots of shame, too sensitive to blame

herself as we watch her drown, I can't save the queen without a kingdom or a crown

(some solo stuff)

D A Bm G

[Verse]

Somewhere in this lonely game of sympathy

there is a selfish dream

That makes me sick

Standing on the high wire while you're on the ground

To you what is dangerous is safe and sound...
You let me down

[Outro]

D A Bm G
