

Let Me Down

No Use for a Name

[Verse]

She s never alone,  
because she s scared of what she might say to herself  
Always drinking in the backroom of the bar where  
everyone turns in  
A half-hearted grin  
She won t be afraid  
as long as that prescription keeps going through  
And all the happy pills make her look like cardboard  
cut out of someone,  
I use to learn from  
But on the phone, she s telling everyone,  
that there was a blue sky, she left behind  
And there s a place that no one knows about,  
Away from integrity she writes a book in her head that nobody will read

[Instrumental]

**Eb Bb Cm G#**

[Verse]

Whatever you say,  
please don t talk about the time when she was young  
Apparently that was a different person and so  
long ago it s strange to me,  
there s no history  
But there s a past and she s telling everyone

It must be a garden, that wouldn't grow

**Cm Bb G#**

With roots of shame, too sensitive to blame

**Fm G# Bb**

herself as we watch he drown, I can't save the queen without a kingdom or a crown

(some solo stuff)

**Eb Bb Cm G#**

[Verse]

**Eb Gm**

Somewhere in this lonely game of sympathy

**Cm Bb**

there is a selfish dream

**G# (Bb)**

That makes me sick

**Eb Gm**

Standing on the high wire while you're on the ground

**Cm Bb G#**

To you what is dangerous is safe and sound...

You let me down

[Outro]

**Eb Bb Cm G#**
