

Let Me Down
No Use for a Name

[Verse]

She s never alone,
because she s scared of what she might say to herself
Always drinking in the backroom of the bar where
everyone turns in
A half-hearted grin
She won t be afraid
as long as that prescription keeps going through
And all the happy pills make her look like cardboard
cut out of someone,
I use to learn from
But on the phone, she s telling everyone,
that there was a blue sky, she left behind
And there s a place that no one knows about,
Away from integrity she writes a book in her head that nobody will read

[Instrumental]

Eb Bb Cm G#

[Verse]

Whatever you say,
please don t talk about the time when she was young
Apparently that was a different person and so
long ago it s strange to me,
there s no history
But there s a past and she s telling everyone

It must be a garden, that wouldn't grow

Cm Bb G#

With roots of shame, too sensitive to blame

Fm G# Bb

herself as we watch her drown, I can't save the queen without a kingdom or a crown

(some solo stuff)

Eb Bb Cm G#

[Verse]

Eb Gm

Somewhere in this lonely game of sympathy

Cm Bb

there is a selfish dream

G# (Bb)

That makes me sick

Eb Gm

Standing on the high wire while you're on the ground

Cm Bb G#

To you what is dangerous is safe and sound...

You let me down

[Outro]

Eb Bb Cm G#
