No Use for a Name

C **Cadd9/B**
Dim light, Saw you sleeping
Dm **A** **Dm**
the door is open waiting to be closed
F **Cadd9/B** **Cadd9**
and it s warm in this little room
Gsus4/G **C/E**
but december is so cold
C **Cadd9/B**
waking to a nightmare
Dm **A** **Dm**
passing out and hoping for a dream
F **Am** **G**
that will bring back his memory

F **G**
and everything you wanted was so close to you that night
C **Cadd9/B** **A**
I don t know how you could have dealt with this
F **G** **Fm** **C**
But nothing could prepare you for that risk

C **Cadd9/B**
Reliving every minute
Dm **A** **Dm**
makes the moment seem further away
F **Cadd9/B** **Cadd9**
unimaginable for me
Gsus4/G **C/E**
the room with the blue paint
C **Cadd9/B**
no words can repair this
Dm **A** **Dm**
so why do people still talk about faith
F **Am** **G**
when it s proven to be nothing great

F **G**
Now every day reminds you of what could and should have been
C **Cadd9/B** **A**
I cannot find the last line to this song
F **G** **Fm** **C.**
Oh yeah, please remember it must go on.
