All night long

-- Bridge 1 --

**C**  
It must get better than this  
**G F**  
Cause as far as I can see

The world belongs to me  
**G F C**  
There s a place at your table with my name on

-- Bridge 2 --

**G**  
When we walk  
**F C G**  
They roll the carpet out at our feet  
And when we talk  
**F C G**  
They gather around in chairs on the street  
**Dm**  
Cause we re the kings of imagining things

-- chorus -- 2x

**Am F C G**  
When the drunks start singing this way  
**Am F C G**  
Baby s got her best dress stained  
**Am F**  
I hope you got a minute  
**C G**  
Hope you want me in it  
**Am F**  
For the long haul  
**C D**  
All night long
