

**Blue Chases Blue**

Noa

**G#m**

Blue touches blue touches grey touches brown

**E**

I look down at my feet, they ve been with me for years

**G#m**

I take one step for you and then two for myself

**E**

**C#m7 G#m**

Oh, I need to be stronger, I need to be stronger

**G#m**

Blue touches blue Touches black, then expands

**E**

All the tears and the years in the palm of my hand

**G#m**

Do you think you can tell me what s wrong and what s wronger?

**E**

**C#m7 G#m**

I need to be stronger, I need to be stronger

**Ebm**

I want to twist in your arms like a snake

**G#m**

That s been charmed like a baby newborn with his arms groping

**Ebm**

Out, I would shout but thereâ€™s always a song and

**G#m**

**C#m7 G#m**

I need to be stronger, I need to be stronger
