

Blue Chases Blue

Noa

Bm

Blue touches blue touches grey touches brown

G

I look down at my feet, they've been with me for years

Bm

I take one step for you and then two for myself

G

Em7 Bm

Oh, I need to be stronger, I need to be stronger

Bm

Blue touches blue Touches black, then expands

G

All the tears and the years in the palm of my hand

Bm

Do you think you can tell me what's wrong and what's wronger?

G

Em7 Bm

I need to be stronger, I need to be stronger

F#m

I want to twist in your arms like a snake

Bm

That's been charmed like a baby newborn with his arms groping

F#m

Out, I would shout but there's always a song and

Bm

Em7 Bm

I need to be stronger, I need to be stronger
