

Blue Touches Blue
Noa

Am Am Am Am

Am Am Am Am
Blue touches blue Touches grey touches brown
F F F F
I look down at my feet, they've been with me for years
Am Am Am Am
I take one step for you and then two for myself
F F F F
Oh, I need to be stronger
Am Am Am Am
I need to be stronger

Am Am Am Am
Blue touches blue Touches black, then expands
F F F F
All the tears and the years in the palm of my hand
Am Am Am Am
Do you think you can tell me what's wrong and what's wrong?
F F F F
I need to be stronger
Am Am Am Am
I need to be stronger

Em Em Em Em
I want to twist in your arms like a snake
Am Am Am Am
that's been charmed like a baby newborn with his arms groping
Em Em Em Em
out, I would shout but there's always a song and
Am Am Am Am
I need to be stronger
Am Am Am Am
I need to be stronger
