A **D9*** **A**
If I were a desert flower
All winter long Iâ€™d pain and cower
E7 **F#/D**
Spring would make me sing
 G
My voice would ring
 E/G# **A** **A7/A#***
As tiny buds begin to bloom
 Bm **E7**
In spring Iâ€™d blossom and forget
 A **D9* A**
The winters gloom.

If I were a brook of water
Kissed by the frost along my borders
Spring would make me sing my voice would ring
As Iâ€™d release my ice chains
In spring Iâ€™d bubble and forget the winterâ€™s rains.

A **Bm** **F#m** **G6***
But I am only a child of man
I am only a child of man
Just an innocent child of man

A **C#m** **F#m** 7
Donâ€™t look so surprised as my eyes shine and glow
Dsus7/9* **D9*** **A** (**G6***)
Itâ€™s the sunlight in the skies that is making me so. [X2]

If I were a joyful songbird
All winter long so cold and somber
Spring would make me sing
My voice would ring like tiny bells on scarves of silk
A song as beautiful and pure as mothers milk.

But I am only a child of man
I am only a child of man
Just an innocent child of man

Donâ€™t look so surprised as my eyes shine and glow
Itâ€™s the sunlight in the skies that is making me so. [X2]

F#m **Dsus7**
Don t be surprised - By this look in my eyes
Bm7 **A**
Like a flower or tree - I will bloom in the spring
(G#) **F#m** **Dsus7**
I will shed all my woes - As the green grass grows
Bm7 **A G D A**
Like a flower or tree - I will throw my head back and sing

If I were a desert flower, desert flower..
