[Verse 1]

G C D C
Oh well in five years time we could be walking round a zoo
G C D C
With the sun shining down over me and you
G C D C
And there ll be love in the bodies of the elephants too
G C D C
And I ll put my hands over your eyes, but you ll peep through

[Chorus]

G C
And there ll be sun sun sun
D C
All over our bodies
G C
And sun sun sun
D C
All down our necks
G C
And sun sun sun
D C
All over our faces
G C
And sun sun sun
D C
So what the heck

[Verse 2]

G C D C
Cause I ll be laughing at all your silly little jokes
G C D C

And we ll be laughing about how we used to smoke

G C

All those stupid little cigarettes

D C

And drink stupid wine

G C D C

Cause it s what we needed to have a good time

[Chorus]

G C

And it was fun fun fun

D C

When we were drinking

G C

It was fun fun fun

D C

When we were drunk

G C

And it was fun fun fun

D C

When we were laughing

G C

It was fun fun fun

D C

Oh it was fun

[Verse 3]

G C D C

Oh well I look at you and say

G C D C

It s the happiest that I ve ever been

G C D C

And I ll say I no longer feel I have to be James Dean

G C

And she ll say

D C

Yah well I feel all pretty happy too

G C D C

And I m always pretty happy when I m just kicking back with you

[Chorus]

G C

And there ll be

D C

Love love love

G C

All through our bodies

D C

And love love love

G C

All through our minds

D **C**

And there ll be Love love love

G **C**

All over her face

D **C**

And Love love love

G **C**

All over mine

[Verse 4]

G **C** **D** **C**

Although maybe all these moments are just in my head

G **C** **D** **C**

I ll be thinking about them as I m lying in bed

G **C** **D** **C**

And all that I believe might never really come true

G **C** **D** **C**

But in my mind I m having a pretty good time with you

[Chorus]

Oh

Five years time

I might not know you

Five years time

We might not speak

Oh

In five years time

We might not get along

In five years time

You might just prove me wrong

Oh there ll be love love love

Wherever you go

There ll be love love love

Wherever you go

There ll be love love love

Wherever you go

There ll be love love love

Wherever you go

There ll be love love love

Wherever you go

There ll be love love love

Wherever you go

There ll be love love love

Wherever you go there ll be love
