To someone

(same as above)

So walk with me

on this new spring morning

I ll walk with you, till your fears are none

I m a new baby weeping

at the flower you re keeping

That without love, it ll wilt and die

I need your life in my life x2

I need your life

So come back to me

my darling

I d do anything to be at your side  
I d be anyone to be at your side

I need your life in my life x2  
I need your life

Its pretty much the same rhythm for the whole song. Go out and buy the cd, and  
play  
with it!
