Noah and the Whale

I worked out the chords from a video (I think) if anyone has any adjustments they

want to make comment!

Chords used: Cm (bar chord) G# (bar chord) and I THINK a chord I don t know the name of which looks like this [665044] which I ll call G#2 for this purpose :)

G#2	Cm	G#	G#2
We	got	high	a thousand times in your brotherâ€™s room
Talked	about	how we break free,	guess it came too soon.

G# G#2 G# G#2 Cm
We grew up, drifted apart, now youâ€™re getting married
G# G#2
While Iâ€™m waiting for my life to start.

G#2 G# G#2
Are you ready to make that call?
Cm G# G#2
It's gonna be a lifetime.
G#2 G# G#2 Cm G# G#2
It was only a few years ago, but it feels like a lifetime.

The year your brother left home is mostly you and me
We spend our whole summer there on his balcony.
We were young, that was then
And I can't help the feeling that is never coming back again.

Are you ready to make that call?
It's gonna be a lifetime.
It was only a few years ago, but it feels like a lifetime.

Are you ready to make that call?
It's gonna be a lifetime.
It was only a few years ago, but it feels like a lifetime.

G#2	G#
And we used to dream of what was beyond these walls	
And we used to pray that one day weâ€™ll see them fall	
And thereâ€™ll be nothing, nothing but time	
And thereâ€™ll be nothing, nothing but time.	

G#2 G# G#2
