

Our Window

Noah and the Whale

Capo on 1

Intro: **A Asus4**

A

Well it s four in the morning,

Asus4

things are getting heavy,

A

Asus4

and we both know that it s over, but we both are not ready

A

and you re talking like a stranger

Asus4

so I don t know what to do

A

Asus4

and I m callous and I m cruel, to everyone but you

A

Asus4

And the stars shining through our window

and the stars shining through our window

A

Asus4

and it s been awhile since I stared at the stars

yeah, it s been awhile, since I stared at the stars

A Asus4

Spring can be the cruelest of months

but bringing in your life

yeah we re promising so much

like the pledge that you gave when you said that you d always love me

but we both know by autumn you re like the color of leaves

Chorus

And the stars shining through our window

and the stars shining through our window

and it s been awhile since I stared at the stars

yeah it s been awhile since I stared at the stars

A

Well I don t think that it s the end

Asus4

A

but I know we can t keep going

Well I don t think that it s the end

Asus4

but I know we can t keep going

E

A

Asus4

cause blue skies are coming but I know that it s hard

I m not so sure bout the last verse
