

Rocks And Daggers
Noah and the Whale

these are the chords Charlie plays live

capo 4th fret

C
The rocks
C
they will always hold in the sea
F
and erosion can't stop their being
C
oh no currents can defeat them
F
and I am thankful for the love
C
these rocks have always given
and although

this boat is steady now
F
one wave could pull me under
C
and I'll be stranded out at sea
F
and I will pray that those rocks
C
will be there for me

G **C**
cause when the sun always shines down on your shoes
G **C**
could be a blue blue christmas for you*
G **C**
cos when the sun always shines down on your shoes
G **C**
could be a blue blue christmas for you

I love the way that your hair is always neat
and your skirts fall below your knees
and your love is so pure and so clean

oh, it comforts me (x4)

I love the way that you're always surprised
oh, to find truth in all my lies
cos you trust me and ignore my disguise

oh, it comforts me (x4)

G

C

D

but there s no need to play with my heart (x15)
