

A Good Winter
Noah Derksen

[Intro]

G Am D G

[Verse]

G Am D G
Hey, are you listening to what I have to say?
G Am
Then lay down beside me babe
D G
Iâ€™ll kiss all the hurtings away

[Chorus]

Am
Iâ€™ll love you and hide you
D
If itâ€™s all that I do
Am
From the coldness of winter
D
To the frost from the moon
C
I will care for you

[Break]

G Am D G
G Am D G

[Verse]

G Am D G
Hey, are you terrified with all of the unknown?
G Am
When the snow starts falling, when winter is calling
D G
And the cold that you can feel in your bones

[Chorus]

Am
Still Iâ€™ll love you and hide you
D
For all of my days
Am
From the coldness of winter
D
That ages your face
Am
When your body is withered
D

And your mind does decay

Am

Am

Iâ€™ll be your crutch, Iâ€™ll be your wisdom

D

Iâ€™ll be your shelter from pain

C

C

I will care for you, I will care for you

C

I will care

D

I will care for you

[Outro]

G Am D G
