Intro

**Gm F Eb Bb Gm Eb F (x2)**

Verse 1

**Gm F Bb**

I was a wandering bird,

**Gm F Eb Bb**

I called away for it to save my soul.

**Gm F Bb**

You were a wandering bird,

**Eb F Gm Eb**

and nothing was wrong with killing our time and not killing ourselves.

Verse 2

**Gm F Bb**

Take me away to the west side of town,

**Gm F Bb Eb**

where we laid out our dresses and covered them down

**Gm F Eb Bb**

there was sky full of blue, and sky full of grey

**Eb F Gm Eb**

I was wondering how it could stay that way, I just walked away.

Pre-Chorus

**Eb Bb**

Now is the time when the colors align and you lay in your bed dripping

**F Gm**

naked with sweat

**Eb F Gm Eb**

**Bb**

and I call around for answers to come but its so f\*\*king hard when you

**Eb Bb**

donâ€™t know your done

**Eb Bb F Gm**

its almost over but nothing is wrong

Chorus

**Gm Bb F Bb Eb**

**Bb**

You were an avalanche, I was a city perched desperately close to the

**F**  
mountain.
