

Caroline

Noah Gundersen

Capo 2 & The whole thing is in D shape mofo
Might sound better to you if you use drop D tuning

```

e |-----2-----|
B |-----3-----3-----3-----|
G |----2h4---4-2----2h4---4----2h4---4-2-----|
D |-----4-----4-2b2-00-----| x4
A |-----|
E |-----|

```

Repeat this pattern throughout except for bridge

Caroline my baby Caroline my sweet
If I marry Caroline how happy I would be
I wouldnâ€™t need no whiskey I wouldnâ€™t need no wine
I wouldnâ€™t need much of anything if Caroline was mine

Her daddy is a preacher and may he rot in hell
Iâ€™d sell my soul to satan for a bucket from your well
Cuz I know that he donâ€™t like me and I know heâ€™ll disapprove
But Iâ€™m going to marry caroline if itâ€™s the last thing that I do

Breakdown â€” C & D back and forth

Well if I was a painter Iâ€™d put you down in paint
Iâ€™d hang you by the mona lisa and put that girl to shame
Or if I was a sailor and sailed the seven seas
Iâ€™d roll across the ocean just to bring you home with me.

Oh caroline my baby oh caroline my sweet
You make a man go crazy why wonâ€™t you come to me
Cuz Iâ€™ve been feeling lonesome and feelin kinda blue
I think Iâ€™d rather die than to be away from you

Bridge or whatever

```

      G      F#m/D      Em      F#m
She said boy you know youâ€™ve caught my eye
      G      F#m/D      Em      F#m
And I know youâ€™re sweeter than apple pie
      G      F#m/D      Em      F#m
But I like my men completely wild
G      F#m      A
So baby keep on tryin â€” oh oh oh oh

```
