

Dying Now

Noah Gundersen

Dying Now

Noah Gundersen

Standard Tuning

(Verse 1)

G **Gsus4** **G** **D** **Em**
Sail on, gypsy of my heart. Youâ€™ve been hanging around
Gsus4 **G**
Youâ€™ve been with me from the start
G **Gsus4** **G** **D** **Em**
Sail on, sail on silver girl, youâ€™ve been spinning too fast
Gsus4 **G**
I could tilt a world

(CHORUS)

Gsus4 **G** **Bm7** **Em**
Iâ€™ve done a lot of living in this town
Gsus4 **G** **D** **Em**
Iâ€™ve done a lot of flying with my feet on the ground
Gsus4 **G** **Bm7** **Em**
You canâ€™t build your bridges after youâ€™ve burnt them down
Gsus4 **G** **D** **Gsus4**
Youâ€™ve done a lot of living but Iâ€™m dying now (dying now)

(Verse 2)

G **Gsus4** **G** **D** **Em**
How long, how long will it take, for you to learn your lessons
Gsus4 **G**
From all your mistakes
G **Gsus4** **G** **D** **Em**
How long until the well runs dry? Your bucketâ€™s coming up empty
Gsus4 **G**
Youâ€™re wondering why

(Bridge): **G Gsus4 G D G Gsus4 G Gsus4 G Bm7 Em Gsus4 D Gsus4 G**

(Verse 3)

G **Gsus4** **G** **D** **Em**
So long, everything must go, but I canâ€™t leave it behind
Gsus4 **G**
If Iâ€™ve never really known
G **Gsus4** **G** **D** **Em**
And so long to nothing matters now, who knows if I stand a chance
Gsus4 **G**
But Iâ€™m trying anyhow

Chords: **G**: 3x0003 **Gsus4**: 3x2013 **D**: 554030 **Em**: 022000 **Bm7**: 021202
