Dying Now

Noah Gundersen

Standard Tuning

(Verse 1)

A **Asus4** **A** **E** **F#m**

Sail on, gypsy of my heart. Youâ€™ve been hanging around

Asus4 **A**

Youâ€™ve been with me from the start

A **Asus4** **A** **E** **F#m**

Sail on, sail on silver girl, youâ€™ve been spinning too fast

Asus4 **A**

I could tilt a world

(CHORUS)

Asus4 **A** **C#m7** **F#m**

Iâ€™ve done a lot of living in this town

Asus4 **A** **E** **F#m**

Iâ€™ve done a lot of flying with my feet on the ground

Asus4 **A** **C#m7** **F#m**

You canâ€™t build your bridges after youâ€™ve burnt them down

Asus4 **A** **E** **Asus4**

Youâ€™ve done a lot of living but Iâ€™m dying now (dying now)

(Verse 2)

A **Asus4** **A** **E** **F#m**

How long, how long will it take, for you to learn your lessons

Asus4 **A**

From all your mistakes

A **Asus4** **A** **E** **F#m**

How long until the well runs dry? Your bucketâ€™s coming up empty

Asus4 **A**

Youâ€™re wondering why

(Bridge): **A** **Asus4** **A** **E** **A** **Asus4** **A** **Asus4** **A** **C#m7** **F#m** **Asus4** **E** **Asus4** **A**

(Verse 3)

A **Asus4** **A** **E** **F#m**

So long, everything must go, but I canâ€™t leave it behind

Asus4 **A**

If Iâ€™ve never really known

A **Asus4** **A** **E** **F#m**

And so long to nothing matters now, who knows if I stand a chance

Asus4 **A**

But Iâ€™m trying anyhow

Chords: **A**: 3x0003 **Asus4**: 3x2013 **E**: 554030 **F#m**: 022000 **C#m7**: 021202
