Set your eyes love
Set your eyes oh, west against the morning
Cause I have no warning of this
When they come to wake me up
(Walkdown from F to Am)
Am
Set your sights love
Set your sights oh, far across the ocean
Cause if I never touch the ocean
                                                    G
I would only come back home to sleep
CHORUS:
                 Dm
But oh, my sight
          C
Am I alright?
         G
Am I alright
                     F
             Dm
Oh, my sight
