False Confidence
Noah Kahan

[Intro]
Am   Am/G │ Am   Am/G

[Verse 1]
Am   C   Fmaj7   C   G
Don t take yourself so seriously
Am   C   Fmaj7   C   G
Look at you all dressed up for someone you never see
        Am   C   Fmaj7   C
You re here for a reason but you don t know why
        Am   C   Fmaj7   C
You re split and uneven your hands to the sky
Fmaj7
Surrender yourself

[Chorus]
              Am   C/B   C/G
And I wonder why I tear myself down
                          E7
To be built back up again
                  F   G
Oh I hope somehow, I ll wake up young again
Am   C/B C/G
All that s left of myself
                          E7
Holes in my false confidence
                        F
And now I lay myself down
          G
And hope I wake up young again

[Interlude]
Am   C/B C/G E7 F
      G
Hope I wake up young again

[Verse 2]
Am   C   Fmaj7   C   G
Don t let those demons in again
              Am   C   Fmaj7 C   G
I fill the void up with polished doubt, fake sentiment
Fmaj7
Surrender yourself

[Chorus]
              Am   C/B   C/G

```
And I wonder why I tear myself down
                            E7
To be built back up again
                 F        G
Oh I hope somehow, I ll wake up young again
Am        C/B      C/G
All that s left of myself
                            E7
Holes in my false confidence
                      F
And now I lay myself down
         G
And hope I wake up young again

[Interlude]
Am   C/B C/G    E7     F
      G
Hope I wake up young again
Am   C/B C/G    E7     F
      G
Hope I wake up young again

[Bridge]
Am            C                  F      C      C/B
Why won t you take me seriously
            Am                    C              F        C
Look at me all fucked up over someone I ll never meet

[Chorus]
               N.C.
And I wonder why I tear myself down
               N.C.
To be built back up again
               N.C.
Oh I hope somehow, I ll wake up young again
Am          C/B       C/G
All that s left of myself
                  E7
Holes in my false confidence
                     F
And now I lay myself down
           G
And hope I wake up
Am                   C/B      C/G
I wonder why I tear myself down
                    E7
To be built back up again
              F        G
Oh I hope some how I wake up young again
Am          C/B       C/G
All that s left of myself
                    E7
```

```
Holes in my false confidence
                      F
And now I lay myself down
          G
And hope I wake up young again

[Interlude]
Am    C/B C/G     E7     F
            G
Hope I wake up young again
Am    C/B C/G     E7     F
            G
Hope I wake up young again

[Outro]
Am     C      F      C
```
