

Catching Stars

NOAHS

[Intro] **Em G C Em7 C Em7**

Em **G**
I ve been seeing stars
C **Em7**
Falling down your head
C **Em7**
Down your head now

Em **G**
And I ve been seeing lights
C **Em7**
Shining down our lives

C **Em7**
Down our lives
Em **G**
Many mountains we will climb

Em **G**
Miles up into the sky
Em **G**
Are we ever going to find
D **Em**
A place to hide from our lies?

(**G C Em7 C Em7**)
(**Em G C Em7 C Em7**)

Em **G**
I ve been catching stars
C **Em7**
Right above your eyes

C **Em7**
Above your eyes

Em **G**
Riding through the night
C **Em7**
I ve been trying to find
C **Em7**
Trying to find

Em **G**
Many mountains we will climb

Em **G**
Miles up into the sky
Em **G**
Are we ever going to find
D **Em**
A place to hide from our lies?

(**Em** **G** **Em** **G** **Em** **G** **D**)
(**Am** **C** **G** **D**)

Am
Skies above are falling
C
Wolves behind us calling
G
We've been waiting to be
D
Taken away from here

(**Am** **C** **G** **D**)
(**Am** **C** **G**)
