

Home Again

NOAHS

G **C**
One day you said that I d be yours
G
The more times you ve left me
C
The more times you ve returned
G **C**
One day you said that you d be mine
G
The ways that you sing my songs
C
The ways that you looked at me

Am **Em** **C** **G**
I don t know how many days you ve been gone
Am **Em** **C**
I am sure one day you ll be home again

(**G** **C** **G** **C**)

G **C**
That day you turned your back on me
G
Since you have left me
C
Days have not been the same

G **C**
One day you said that you d be my girl
G
We ve been just half way
C
But you threw it all away

Am **Em** **C** **G**
I don t know how many days you ve been gone
Am **Em** **C** (**G** **C**)
I am sure one day you ll be home again

G
You bring me down
C
With broken promises

You turned away
G
Cause I fucked it up again

G

You bring me down

C

With broken promises

You turned away

G

No, you won't be home again
