

Home Again

NOAHS

**G** **C**  
One day you said that I d be yours  
**G**  
The more times you ve left me  
**C**  
The more times you ve returned  
**G** **C**  
One day you said that you d be mine  
**G**  
The ways that you sing my songs  
**C**  
The ways that you looked at me

**Am** **Em** **C** **G**  
I don t know how many days you ve been gone  
**Am** **Em** **C**  
I am sure one day you ll be home again

( **G** **C** **G** **C** )

**G** **C**  
That day you turned your back on me  
**G**  
Since you have left me  
**C**  
Days have not been the same

**G** **C**  
One day you said that you d be my girl  
**G**  
We ve been just half way  
**C**  
But you threw it all away

**Am** **Em** **C** **G**  
I don t know how many days you ve been gone  
**Am** **Em** **C** ( **G** **C** )  
I am sure one day you ll be home again

**G**  
You bring me down  
**C**  
With broken promises  
You turned away  
**G**  
Cause I fucked it up again

**G**

You bring me down

**C**

With broken promises

You turned away

**G**

No, you won't be home again
