(do chords on the 1st stanza)
my last night here for you
same old songs just once more
my last night here with you
maybe yes, maybe no
i kind of like it your way
how you shyly place your eyes on me
oh, did you ever know
that i had mine on you

CHORUS:

G
darling so there you are
D
with the look on your face
C A
as if you re never heard
D
as of you re never down
G
shall i ll be the one for you
F#m B
who pinches you softly but sure
G
if frown is shown then
A G D
i will know that you are no dreamer

INTERLUDE:

C--G--Dm-C--G-Dm--Fm-G;

SOLO:

Bm **F#m**
so let me come to you
G **A**
close as i wanna be
G **A**
close enough for me
Bm **F#m**
to feel your heart beating fast
G **A**
and stay there as i whisper
D **A**
how i loved your peaceful eyes on me
Em
did you ever know
D
that i had mine on you

(do chorus chord pattern)

darling, so share with me
your love if you have enough
your tears if you re holding back
or pain if that s what it is
how can i let you know
i m more than a dress and the voice
just reach me out then
you will know that you are not dreaming

(repeat chorus)
