This hearth, this home

Soul scarred, twelve-fold

When light is quenched that another might burn brighter?

Let not the rays of justice blind
F G A
E'er trust in Grace, and she shall guide

 High o'er the trees in the groves of liberty

 One kingdom's fall is another kingdom's freedom
F C Dm C
 One sovereign's war is another sovereign's peace
F C Dm Em
 One mother's pride is another mother's sorrow

 Their tears both soak the land that they love

 Tonight for unsung sins atone

 This night you need not walk alone
