

60 Reprise

Nofx

I did this tab cause no one has the chords version on yet so I did it.

It s an acoustic version, so its a lil slower than the regular version.
And I guess it could work for both versions with the different lyrics.

Any questions or concerns you know what to do at the bottom. Enjoy!!

G **E**
We re the band with our own label

That s money under the table, that s answering to no one

E
