

I Fatty
NoFX

NOFX I, Fatty chords

E C G B C

Only 12 years old and already so alone

D E

Left abandoned on a train

C D G E

You've got a lot to learn but you'll never learn

C Cm G

Powders can't get rid of all your pain

Chased by Keystone Cops through LA's endless backdrops

You become loved by the world

But the biggest star is gonna leave the biggest scar

On that pregnant tarnished girl

E C

Fatty, Fatty

D G

The world can turn pineapple upside down cake

Fatty, Fatty

After so many pratfalls this is your prattest

Fatty, Fatty

Your friends will turn on you in a split second

Fatty, Fatty

There's no place for the fattest man to hide out

E C

Fatty, Fatty
