B|-----12-----10-----8-----7---
G|-----12-----10-----8-----7----

A|- C#m - Bm - Dm - C#m

Musica:

(A|- C#m - Bm - Dm - C#m)

No final - (Bm - C#m)

Sugestão: Na passagem C#m - Bm se for feita com
uma toque no C (C#m - C - Bm),
tanto na parte final como também, no meio da música!
Fica bem melhor e original!

A Letra:

Together on the sand
we walked hand in hand
On the beachfront,
she smiled at me
As she tightly held my hand
I had my finger up her...
Country music played on the radio
So I turned it off and we walked down
To the water, as she grabbed on to my honker
A wave swept us away
